Sam motioned to accept previous minutes Dave seconded it, all agreed.

Len Gluck VAOT contacted Lance in reference to an update that needs to be done on the deed from the Bakersfield Fire Dept. Matt to the Town of Bakersfield and Steve were present and will follow thru on this parcel of .13 acres needs to be included in the deed.

Dakota Gagne requested use of the Green at the Brigham academy for the car show for August 31,2019. Permit was signed and given to Kathy.

Linda Mc Call brought up her

concerns for speed limits on Rt 36 and 108 She submitted a petition with signatures. Lance said we could petition the State to review it.

Sam discussed the Sherriff's Office be willing to cover Bakersfield and Fairfield. Costs were reviewed.

Chris Buttolph requested fence viewers to view his property line between his property and the Lawyer's property on Waterville Mt Road.

Lance wanted to clarify with Mr. Buttolph that he was not directly related to the Lawyers involved.

Lance introduced Darlene Marrier who suggested this should go thru the Planning Commission. Lance offered to go with David Ovitt to review the area in question.

Darlene stated that she discovered citations can be given to people that are using camps as year-round housing. The main concern is everyone must be included.

This will mean extra time for Darlene to research and issue citations. Motioned for Zoning administration to issue citations to anyone in violation. David and Sam seconded it. Lance also motioned for Zoning Administration to use whatever time is needed.

Cheryl DeRue and Brenda Westcom were present to check into changing their calendar year. David Houston said he would check into what needed to be done.

Access for right of way permit submitted by Taylor and Morgan Flannigan. Permit was signed with the stipulation currant right of way be discontinued and removed. Permit signed given to Kathy.

Permit for Fire District to Use Town Hall august 21,2019 Permit signed.

Class 4 policy should be pushed forward.
