# What You CAN NOT Spend \$ On

1. Non-Federal Match - you can include your ARPA \$ in your capital stack, you just cannot use it as match for other federal grants
2. Pension Funds
3. Infrastructure Not Directly Addressed in ARPA
4. Rainy Day Funds, Financial Reserves, and Outstanding Debt

# Things to Consider:

- You can:
  - **Pool your funds** with other municipalities to achieve scale for deeper impact and long-term sustainability that benefits your community.
  - **Transfer your funds** to non-profits or other eligible third-party organizations performing ARPA eligible projects that benefit your community.
  - **Take time to be patient and think bigger** - see how the State of Vermont's ARPA money will be deployed, as well as other federal funding that is and could be on its way like the *Infrastructure Investment and Jobs Act* and the *Build Back Better Act*.

# ARPA Reporting - General Information

- All municipalities will be required to report on their spending *directly to Treasury*
- All municipalities (other than Burlington) have an annual reporting schedule; first report is due by April 30, 2022, and every April 30<sup>th</sup> through 2027
- All reporting will be through an online portal created by Treasury
- Treasury has issued its Compliance and Reporting Guidance and it is posted on VLCT's ARPA webpage:

<https://www.vlct.org/resources/american-rescue-plan-information>

## Public Engagement & Outreach

Examples from a few Vermont towns:

- **Charlotte:** public meetings and a [webpage](#) to submit residents' input
- **St. Albans Town:** working with neighboring towns to potentially pool funds
- **Jericho:** ARPA [webpage](#), survey, discussion forum, post ideas
- **Rutland Town:** ARPA listening sessions
- [Plainfield](#), [Richmond](#), Fairfax, St. Johnsbury, Westminster, [Westford](#): ARPA advisory committees (either formed or considering it)

**What are you doing in your community???**

# ARPA Vermont- Emerging Ideas:

- Waitsfield: **wastewater** treatment plant to support housing development
- Rutland: improve air quality in town hall, extending **water** and **sewer** lines
- Montgomery: municipal **sewer** system
- St. Albans Town: exploring **water** and **sewer** projects
- St. Albans City: neighborhood stabilization/housing rehab
- Highgate: **water** and **sewer** projects
- Ferrisburgh: **water** projects, broadband
- Panton: digitizing land records
- Barre Town: stormwater, **water** projects, radio coverage for EMS
- Cavendish: **sewer**/updating pump stations, **water** projects, digitizing land records, public building ventilation, hybrid meeting support
- Manchester: revenue replacement, improving EMS and EOC facilities, **sewer** improvements, town hall ventilation
- Montpelier: revenue replacement, **water/sewer**/stormwater projects, housing
- Weathersfield: grants to businesses, **water** and stormwater projects, COVID modifications to public facilities, premium pay (police)
- South Burlington: restore staffing levels
