Warrants were reviewed and signed

Matt Hull stated he will reside as Fire Chief as Mark has stepped aside.

Matt discussed exploring the option of refinancing the Station loan thru the Town with a different financial institution because of variable interest rates, stated he had secured a 2% loan for new Air Packs thru the Peoples Trust.

Burn Policy was reviewed

Debra Mason was present to address her concerns over the poor condition of the Joyal Road which she lives on. She stated roads are bad with pot holes. She questioned the poor maintenance of the roads in comparison to the roads in

Enosburg. Brian Westcom, William Newett and Dave Ovitt explained to her The Town of Bakersfield does not have the same budget as Enosburg and are limited to what they can do with the budget that is available. Also noted was the grader had been down for repairs which has delayed doing some of the work that was needed.

Kathy Westcom a bill from the tree service used by the Maple Cemetery was submitted to the Town Clerks Office for payment, also some confusion on the Cemetery Committee as to contract for Ross Allen for liability insurance.

Brian stated Bills would be kicked back to Cemetery Committee for payment Its their responsibility and noted it on Paperwork that will be returned to Cemetery Committee.

Brian voted to close the Meeting and it was seconded by David Ovitt
