

Town of Bakersfield  
Planning Commission Meeting Minutes  
June 3, 2019

Opened Public Hearing at 7:05 PM. Asked for adjustments to the agenda. Mr. and Ms Tillotson were in attendance and asked to be heard relative to their property issues. We added time for them to speak to the agenda. Introductions of Planning Commission were made and people in attendance signed in: Ken Carter, Gary Foote, Carrie Nelson and Bill Irwin. Requested nay public comment, and there was none. Requested action following review of the May minutes. Motion by Ken Carter to accept minutes, seconded by Gary Foote and voted on unanimously to accept without any further discussion.

Mr. and Ms. Tillotson then shared a court decision that recognized their position relative to a dispute about their driveway being used by others as a roadway. It appeared official and the Tillotson's position that the driveway was to be considered as such. It also appeared that access to existing homes using it as a road would be honored and not affect access to anyone for any purpose. As a member of the Bakersfield Fire Department, Chair Bill Irwin said he would share the information with the Fire Department because they always are interested in access issues.

No other business was scheduled, nor came before the Commission. The next meeting was discussed and scheduled for its usual date and time on the first Monday, July 1, 2019, at 7:00 PM. With a motion and second, the meeting was adjourned at 8:05 PM.
