Warrants were reviewed and signed

Minutes from August 28th meeting were read and accepted.

Joe Stumpo was present to question motor cross track on Pelchaks property. Stated he had offered to remove jumps, but has not been taken up on his offer. Concerned that this may start back up. Stated noise and dust from the track was excessive.

David will touch base with Darlene Marrier ZBA to follow up on the progress of the violation notice she sent. She has stated the notice was issued and received and she had been in communication with Mrs. Pelchak.

Act 46 was discussed and how it may play out.

Bill Irwin requested to be put on the agenda for the October 9th Select Board meeting to discuss Energy Facility Planning

David voted to adjourn the meeting and Lance seconded it
