Agenda

Meeting at the gravel pit with Sam Ruggiano

No business unrelated to the gravel pit will be discussed.

Called to order: 5:00pm

David stated that the requested meeting with Mr. Ruggiano was to determine if all of the requested work, subcontracted out to Button's Surveyors by Mr. Ruggiano, had been completed to the Select Boards satisfaction.

It was determined that the benchmarks that Sam Ruggiano had requested be placed in the large rock just over the rise in the pit, had not been completed by the surveyors. The 4 location pegs that delineate Phase II location had been placed to Mr. Ruggiano's satisfaction as well as the Road Commissioner and the Selectmen.

Mr. Ruggiano was not aware that the benchmarks had not been placed. He will call Lenny at Button's Tuesday (8/2/16) evening and make sure it gets taken care of ASAP. Sam has asked that he be copied in on any communications that occur between Button's and the Town so he can follow up on concerns such as this.

Adjourned: 5:29pm
