Lance brought up conflict and issues over gravel pit. The board agreed since Sam Cribb, David Houston and Josh Goss make a quorum they will handle any issues with the gravel pit *except* for new business.

Bill Irwin was present and brought up

1. Champlain Housing Trust meeting to discuss possible interest in the Brigham Academy building. The meetings will potentially take place on August 20, 2018. Agenda for this meeting will be limited to this discussion .
2. Revised Town Planning meeting on Energy Efficiency in August. Special session of Select Board meeting will be held following this meeting. Date to be announced.

3. Up grading traffic signs on Rt 36 to hopefully slow traffic down. Since this is a State Highway a letter to the State Traffic Committee will need to be sent. Bill will draft a letter for Kathy to send with all info needed.

There are two seats available on the regional Planning Committee. Seeking interested individuals.
