David Ovitt	David Houston
Mac Newett	Paul Stanley
Carrie Flieger	David Walker

David O brought meeting to order

Minutes from last meeting were reviewed and accepted

Warrants

Warrants were reviewed and signed

Select Board	15-2018	\$26825.25
Road	3&4-2018	\$7326.20

David Walker was present to submit the route plan for the 5k run. The route was approved by the board and forms need to be submitted to the State and Vt League of Cities and Towns.

Paul brought up the need for better communication between planning committee and the Select Board.

Carrie Fliefer wanted to thank everyone on behalf of her daughter Emily. She also wanted to address the issues they are having with the 4 wheelers speeding up and down the road and even into the early hours of the morning. Her main concern is the children playing. David O explained that we have had many issues and are unable to get any help enforcing it. He suggested putting up a sign stating, "Caution Children Playing" and trying to get a license plate number to report it. He also suggested inviting the VASA chair person back for an update on their end as to how they are addressing the issue.

Letter from Abby was presented requesting permission if needed to borrow money from the New Equipment fund. Josh made a motion and David O seconded it giving Abby permission to do this if needed.

Printer that was in storage was given to Vera in exchange for the typewriter Kathy has in her office.

Kathy discussed new phone lines and costs. The savings with a new company could be enough to upgrade the phone line services we have and add Surveillance equipment for what we are paying now on our current plan.

Abby will check into a new lap top and Prices.

Building renovation to make back room of Town Clerks building excess able to use without being able to access to the Town Clerks Office was discussed. Door on Kathy's office needs repair and new locks on the Brigham building were all discussed. Kathy will check into hiring someone and costs.

Linda McCall was present for further discussion on the gravel pit. She has declined the offer to be appointed a town Officer.

She submitted a possible actions list which will be tabled and discussed next meeting when all board members are present.

To be put on next agenda Notice of intent from Municipal Roads for Storm Water discharge.

Parcel Mapping reviewed and submitted to Planning Commission.

Petition was submitted by individuals in town requesting a Sherriff be present at the car show to reduce or eliminate smoking tires.

Josh Motioned to adjourn meeting and David H seconded it.
