Anissa Sequin was present to give the board an update on the clean up project at Brigham Academy. The individual that was supposed to remove the scrap materials from the building did not show up. Anissa contacted Hogden Brothers to remove materials.

Anissa reported some teenagers broke into the Brigham Academy and did some spray painting, left obscenities on the floor using a material to remove finish from floor and stole soda that was stored for the 7th grade fund raiser. The Police were called and gave the kids a citation.

Anissa will follow through and check into holding these kids accountable for their actions. She will keep the Select Board posted by sending Josh an email.

Anissa stated by October 1st she will be looking for pricing on a shed for storage for the school.

She also noted there is a 200-year-old oak tree on the property, she will be contacting an arborist to determine if the tree can be saved or if it will have to be removed.

The Select Board will do an inspection of the property September 10th board meeting.

Kathy noted that Brenda Wescom has resigned as Auditor and Audrey Haselton has resigned as Assistant Treasurer/Town Clerk.

Mercy Heating and Plumbing was called to service the furnace at the Town Clerks Office they informed Kathy the system is out dated and needs to be replaced.

Checking further into transferring to Comcast Kathy found out she was misquoted and switching will be more expensive, so we will not be using them.

Brigham Academy Planning Grant.

Cheryll DeRue and Sarah Jo Marcotte presented the Municipal Resolution for a Municipal Planning Grant that needed to be signed and submitted. Cheryll brought the board up to date on their findings. This was reviewed by the Select Board and signed. There is a deadline of October 1st to apply for this grant.

Lance stated that the Brigham Academy Building needs a new door and locks to hopefully deter anymore vandalism. The Select Board will do a site visit the first portion of the Select Board Meeting on September 10, 2018.

Josh motioned to adjourn Sam seconded it
